

First Information Report - Synthetic

Fictional First Information Report — Demonstration Record

FIR No.: FIR_013

Case: CASE_0013

Police Unit: Economic Offences Wing

Date: 2024-02-25

Case CASE_0013 concerns a synthetic suspicious financial activity matter opened on 2024-02-25. The initial record names Rajesh Iyer as a person requiring enquiry. The early stage relied on witness information and routine records; the identity was not treated as conclusively established from name alone. A subscriber record associated with PHONE_00533 and account ACCT_00407 provided additional context. Vehicle VEH_0005 was reviewed because it was observed during the relevant period. As the enquiry progressed after 2024-03-23, investigators compared telecom, financial and location records. The working hypothesis is deliberately stated as provisional: ordinary employment, family contact and legitimate commercial activity may explain some of the observed links. The case file should therefore distinguish corroborated observations from inference and should not treat network association as proof of culpability.

The entry is synthetic. Allegations, observations and investigative leads are recorded separately; no finding of guilt is implied by inclusion in this corpus.
