

First Information Report - Synthetic

Fictional First Information Report — Demonstration Record

FIR No.: FIR_023

Case: CASE_0023

Police Unit: Economic Offences Wing

Date: 2023-05-30

Case CASE_0023 concerns a synthetic insurance fraud matter opened on 2023-05-30. The initial record names Prakash Gowda as a person requiring enquiry. The early stage relied on witness information and routine records; the identity was not treated as conclusively established from name alone. A subscriber record associated with PHONE_00054 and account ACCT_00037 provided additional context. Vehicle VEH_0086 was reviewed because it was observed during the relevant period. As the enquiry progressed after 2023-07-03, investigators compared telecom, financial and location records. The working hypothesis is deliberately stated as provisional: ordinary employment, family contact and legitimate commercial activity may explain some of the observed links. The case file should therefore distinguish corroborated observations from inference and should not treat network association as proof of culpability.

The entry is synthetic. Allegations, observations and investigative leads are recorded separately; no finding of guilt is implied by inclusion in this corpus.
